The Town of Lisbon is currently accepting per foot bids for the application of edge line and centerline markings per current Maine DOT Specifications for the attached list of streets with approximate lengths. Due to our anticipated paving schedule this year bidders should factor two mobilizations into their pricing.

The Town of Lisbon reserves the right to reject any and all bids when deemed to be in the best interest of the Town, and to waive any minor discrepancy or technicality in the bid specifications.

Sealed bids to be submitted to the Town Office Attn: Thomas Martin by June 14th, 2018 at 10:00 AM. I can be reached at 353-3000 ext. 116 or by e-mail at tmartin@lisbonme.org if you have any questions.

Sincerely,

Tom
