## SUMMARY OF LISBON COUNCIL MEETING RULES

*This summary is provided for guidance only. The complete council working rules may be found on the town website [www.lisbonme.org](http://www.lisbonme.org) on the Town Officials, Town Council page.*

The meeting agenda is available from the town website under Council Agendas and Minutes.

1. Please note the order that agenda items may be acted upon by the Council, however, if necessary, the Council may elect to change the order of the agenda.
2. The Council Chairman presides over the meeting. When the Chairman is not present, the Vice Chairman serves that function. The chair shall preserve decorum and decide all questions of order and procedure subject to appeal to the town council.
3. Public comment is not typically allowed during Council workshops. There may be occasions where public comment may be recruited, but normally, workshops are reserved for Council members to discuss and educate themselves on a variety of issues facing the Town. Prior to the conclusion of a workshop, if time permits, the chair may allow questions from the public.
4. During audience participation, anyone wishing to address council will wait to be recognized by the chair before beginning any remarks. Audience members will move to the lectern to address council, and shall provide name and address prior to addressing the council.
5. Note that "Consent Agenda" items (if there are any) are acted upon first, voted upon as a group, and will most often be voted on without discussion as these items often involve "housekeeping" issues (such as minor parking changes). On occasion "Consent Agenda" items are separated out as stand-alone action items by the Council to allow for more discussion.
6. Public comment on agenda items. General comments on agenda items should be made during audience participation. After introduction of an agenda item, appropriate motions, and time for explanation and council questions, the public may be allowed to comment on that agenda item at the discretion of the chair. During that period of time, the public comment shall address only the agenda item before council.
7. Action on agenda items. As each item on the agenda for any meeting is brought to the floor for discussion:
  - a. The town clerk reads the agenda item and the action being requested of council.
  - b. The sponsor of each item or, if there is no council sponsor, the town manager, or town staff, shall first be allowed to present their initial comments for consideration by the public and councilors.
  - c. Following this introduction of the issue, there will be time devoted to any questions of the sponsor or the town manager or staff regarding the agenda item which any councilor may have which would help to clarify the question presented by the agenda item. The chair may allow questions from the public during this time however; no debate or discussion of collateral issues shall be permitted.
  - d. When authorized by the chair, any additional public comment shall be no longer than two minutes per person and must be to request or furnish new or undisclosed information or viewpoints only.
  - e. Once an agenda item has been explained and clarified by any questioning, the discussion on the specific agenda item will remain with the council. Additional public comment, prior to final council vote; will only be allowed at the chairman's discretion.
8. New business is for the council to receive input on town matters not on the agenda for that meeting. It is not intended, nor shall it be construed as an opportunity for debate of previous agenda items or reinforcement of a point made by another speaker. Comments shall be to furnish new or undisclosed information or viewpoints and limited to a time period of two minutes or less and shall be directed through the chair.
9. If an "Executive Session" is conducted by the Council, State Statute prohibits public attendance for any discussion of the action to be addressed by the Council. Any action taken by the Council on any "Executive Session" matter must be acted upon in a public meeting, and may occur at the end of the "Executive Session" (which has no time element relative to the length of the discussion involved in the "session").

LISBON SCHOOL DEPARTMENT  
SCHOOL COMMITTEE 2019-2020 BUDGET  
WARRANT ARTICLES  
AS OF 5/13/2019

**PLEASE NOTE:**

*Actions taken in accordance with the following articles must be taken by a recorded vote.*

**ARTICLE 1:**

To see what sum the Council will authorize the Lisbon School Department to appropriate for the total cost of funding public education from pre-kindergarten to grade 12 as described in the Essential Programs and Services Funding Act (Recommend \$13,148,750) and to see what sum the Council will raise as the Town's contribution to the total cost of funding public education from pre-kindergarten to grade 12 as described in the Essential Programs and Services Funding Act in accordance with the Maine Revised Statutes, Title 20-A, section 15688.

School Committee Recommends \$ 4,486,794

Council Recommends \_\_\_\_\_

*"Explanation: The Town's contribution to the total cost of funding public education from pre-kindergarten to grade 12 as described in the Essential Programs and Services Funding Act is the amount of money determined by state law to be the minimum amount that a municipality must raise in order to receive the full amount of state dollars."*

**ARTICLE 2:** To see what sum the Council will authorize the Lisbon School Department to raise and appropriate for the annual payments on debt service previously approved by the legislative body for non-state-funded school construction projects, or non-state-funded portions of school construction projects in addition to the funds appropriated as the local share of the school administrative unit's contribution to the total cost of funding public education from pre-kindergarten to grade 12.

Amount Recommended \$ 460,409

Council Recommends \_\_\_\_\_

LISBON SCHOOL DEPARTMENT  
SCHOOL COMMITTEE 2019-2020 BUDGET  
WARRANT ARTICLES  
AS OF 5/13/2019

*"Explanation: Non-state-funded debt service is the amount of money needed for the annual payments on the municipality district long-term debt for major capital school construction projects and minor capital renovation projects that is not approved for state subsidy. The bonding of this long-term debt was previously approved by the voters or other legislative body."*

**ARTICLE 3:** Shall the Town of Lisbon raise and appropriate \$2,440,440 in additional local funds, which exceeds the State's Essential Programs and Services allocation model by an additional \$431,285 as required to fund the budget recommended by the school committee.

The school committee recommends \$2,435,475 for additional local funds and gives the following reasons for exceeding the State's Essential Programs and Services funding model by an additional \$431,285

School Committee Recommends \$ 2,440,440

Council Recommends \_\_\_\_\_

- 1) Co-Curricular and Extra-curricular activities: The state only supports 20% of Lisbon's total expenditures.
- 2) The Teacher Retirement portion that was previously paid by the state.
- 3) Substitute Pay: The State Allocates half a day per student. This does not cover long term absences where substitutes are paid at a higher rate.
- 4) Special Education: This additional amount is partly due to year old student information, summer school scheduling and reduced financial support at the Federal and State levels.
- 5) Nutrition (Lunch): The state does not provide any subsidy to cover the expenses in the general budget.

*"Explanation: The additional local funds are those locally raised funds over and above the school administrative unit's local contribution to the total cost of funding public education from pre-kindergarten to grade 12 as described in the Essential Programs and Services Funding Act and local amounts raised for the annual payment on non-state funded debt service that will help achieve the Lisbon School Department's budget for educational programs."*

**ARTICLE 4:**

To see what sum the Council will authorize the Lisbon School Committee to expend for the fiscal year beginning July 1, 2019 and ending June 30, 2020 from the Town's contribution to the total cost of funding public education from pre-kindergarten to grade 12 as described in the Essential Programs and Services Funding Act, non-state-funded school construction projects, additional local funds for school purposes under the Maine Revised Statutes, Title 20-A, section 15690, unexpected balances, tuition receipts, state subsidy and other receipts for the support of schools.
