Lisbon Water Department Legal Notice

The Lisbon Water Department gives notice to the public that on **August 12, 2014, 6:00 p.m. at the Lisbon Town Office,** a public hearing will be held to discuss and hear comments on a proposed water rate increase.

	Effective on October 1, 2014				
	% Increase	\$ Increase			
Residential	24.38%	\$113,861			
Commercial	24.69%	\$ 13,278			
Governmental	26.48%	\$ 4,947			
Industrial	27.19%	\$ 733			
Private Fire Protection	27.18%	\$ 4,790			
Other Revenues	1.31%	\$ 601			
Public Fire Protection	11.99%	\$ 34,876			
Overall Increase	18.96%	\$173,086			

Public Fire protection rates are determined pursuant to Chapter 690 of the Public Utilities Commission Rules.

Rates are to become effective on October 1, 2014. Since its last rate increase in 2010, the Department will be incurring additional debt service costs for the Frost Hill Avenue water main replacement project that was approved by the voters in November of 2013. The Department has also experienced increased operating and depreciation expenses over the last three years, including the need to recover costs for an unscheduled main replacement on Route 196 in 2012.

Pursuant to 35-A MRSA Section (6104), a customer has the right to request additional information relating to the present and proposed rates from the Department, the right to an open and fair hearing, and the right to assistance from the Public Advocate. Customers also have the right under 35-A MRSA Section (6104) to petition the Maine Public Utilities Commission to suspend and investigate the Department's rates pursuant to 35-A MRSA Section 310, if, on or before **September 11, 2014**, 363 of the Department's customers (15% of customers or 1000 customers, whichever is less) file with the Town Treasurer, Lisbon, Maine and with the Public Utilities Commission, c/o Administrative Director, State House Station #18, Augusta, ME 04333-0018, a petition or petitions demanding review by the PUC of the proposed rate changes. Signatures on the petitions filed pursuant to Section 7 are invalid unless accompanied by the printed names and addresses of the signers. Upon request the Department will provide customers with petition forms that include space for the signatures and the printed names and addresses of the signers.

A copy of material supporting the proposed rate changes will be available at the Lisbon Water Department Office for inspection on and after **July 11, 2014.** If you have any questions or desire additional information, you may call Shellie Reynolds, Business Manager, Lisbon Water Department, at (207)-353-3020 or the Administrative Director of the PUC at (207)-287-3831. For additional assistance, contact the Public Advocate, State House Station #112, Augusta, ME 04333-0112, (207)-287-2445.
